Iron Edge Bumper Plates Instructions & Guidelines

Important!

Read this before using bumper plates

Before using Iron Edge Bumper Plates

- » Iron Edge will not be held responsible for any injury or death that occurs while using this product.
- » Check the product for any manufacturing defects prior to use. If defects are evident, do not use the product and contact Iron Edge immediately.
- » Iron Edge Bumper Plates are treated prior to packaging to ensure the rubber remains hydrated. Use a damp cloth to remove this treatment if desired once unpacked.
- » Take note that Iron Edge Bumper Plates have a solid steel centre disk that is designed to move several millimetres within the plate when being dropped. This is a feature of the plate to optimise their lifespan and reduce the impact on the rubber.

Product Care

- » Bumper Plates have a tough life. Avoid uncontrolled and reckless dropping.
- » Use a high quality barbell collar to secure plates when using for Olympic lifts.
- » For optimum lifespan use on a dedicated Olympic Lifting Platform
- » Cleaning: Use a damp cloth only – do not soak the platform.

Two year Product Warranty

- » The Iron Edge Bumper Plates are covered by a two year warranty for manufacturers' defects and faults.
- » Iron Edge will exchange/replace/refund to the customers' satisfaction all Bumper Plates affected by manufacturers' defects.
- » This warranty does not include normal wear and tear including scratches or chips.
- » This warranty does not include Bumper Plates that have been subjected to obvious abuse.

Iron Edge no BS policy

We take our products and services seriously. It's for this reason we offer a hassle-free No BS policy with all our products. If there's ever an issue with our service or product that is outside of normal wear and tear (see our Terms & Conditions), simply let us know and we'll take care of it with a No BS attitude.
